Note: After all the connections are made, the green LED of the Adapter will be lit up.

Step 6. Assembly completed , it's ready to use.

CARE INSTRUCTION FOR FABRIC:

In order to maintain the original appearance of your fabric furniture, please follow below simple care procedure:

- **Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Exposure to sunlight or heating and air conditioning outlets will fade/damage fabric.**
- **Wipe gently with a damp soft cloth to remove dust, dirt and any grime build up.**

It is recommended to install protective pads under all legs and supports to avoid damage or scratches when placing furniture on a wood floor or other hand surface, and to limit indentation and prevent discoloration if placing on carpet.
